

Casey,

Good morning. I wanted to let you know that Anthony with Dykman went above and beyond for us late Friday night and throughout the weekend on a hot request. We really appreciated his willingness to help even though request came in so late in the evening. The motor that we needed actually arrived early this morning and we are in the process of getting the machine back up and running. Just thought I should keep you in the loop on the great service.

Thanks,

Townshend Laton
